NOTIFICATION

Notification No.: JKMC-19 of 2026

Dated: 21-10-2026

ORDER

Withdrawal of extension of Registration granted on the basis of Primary Registration issued by the Punjab Medical Council, consequent upon suppression of material facts, simultaneous working at Multiple Clinical Establishments in Multiple Districts in an unauthorised way while holding full-time engagement in Punjab — Dr. Khushboo Haresh Chauhan D/O Sh. Haresh Mohan Chauhan, R/O 126/153, Hindustan Chowk, Mulund Colony, Mulund West, Mumbai, Maharashtra.

ESTABLISHED ON RECORD

In the matter of Dr. Khushboo Haresh Chauhan D/O Sh. Haresh Mohan Chauhan, who holds Primary Permanent Registration No. 51364 dated 03.04.2019 with the Punjab Medical Council. This Council granted her registration solely on the strength of the Punjab Medical Council's Confirmation Letter dated 10.06.2022. The record shows her name projected at Multiple Establishments in Multiple Districts of the Union Territory of Jammu & Kashmir:

Jammu — As Owner of Jammu Manorog Clinic, Deeli Langar, Kunjwani By Pass, Jammu, under Provisional Registration No. DRA/CE(R&R)/CMO-J/2020/76;

- Kathua — Unauthorised Consultation at Prayaas Psychiatry Clinic, Chak Sona, Kali Bari, Kathua, owned by Mr Dheeraj Mahajan. In this matter, a fine of Rs. 50, 000 was imposed under Section 41 read with Section 42 (8) of the Clinical Establishments (Registration and Regulation) Act, 2010, as recorded by Jammu Manorog Clinic (Proprietor Smt. Arpna Sharma, Person-in-Charge Dr Parvaiz Ahmad Khan) in its replies dated 01.07.2026 and 13.10.2026;

- Samba — As Person-in-Charge of "Samba Psychiatry Clinic", Tapyal Morh, National Highway, Samba, owned by Mr Dheeraj Mahajan, under Provisional Registration dated 22.10.2022.

PART I

BACKGROUND

The Jammu & Kashmir Medical Council exercises statutory authority over the

Territorial Register it maintains for Practitioners permitted to practise within the Union Territory of Jammu & Kashmir. The material set out below establishes:

- Lapse of the Primary Confirmation on which the extension rests, without Renewal;
- Suppression of material facts, including full-time engagement in another State;
- Unauthorised Consultation in District Kathua, in a matter concluded with a fine.

Nature of the Registration held by this Council;

The Registration granted to Dr. Khushboo Haresh Chauhan is not an independent or Original Grant. It is an extension of Territorial Permission. It was issued on the basis of, and in express reliance upon, her Primary Permanent Registration No. 51364 dated 03.04.2019 with the Punjab Medical Council.

This Council does not hold, and has never held, any independent authority over the said Primary Registration. This is recorded in the Punjab Medical Council's own Letter No. PMC/2021/21120007911 dated 10.06.2022, addressed to the Registrar of this Council. That letter records:

- That Dr. Khushboo Haresh Chauhan is registered with the Punjab Medical Council, and her name is valid on its State Medical Register Punjab)
- That the Original Registration Certificates are in the custody of the doctor;
- That, should the doctor require a 'No Objection Certificate' for registration with another Council, it may be issued in favour of the Punjab Medical Council, as the doctor is registered with that Council;
- That the doctor will have to obtain Renewal of the Certificate on expiry;
- That the certificate is valid for six months.

The confirmation was thus limited in time by its own terms. It's renewal was made the express obligation of the doctor, not of this Council. A copy of the letter was forwarded by the Punjab Medical Council to the doctor herself, at dr.khushic@gmail.com. She was therefore aware, from 10.06.2022, of both the six-month validity and her own obligation to renew.

As the letter itself states, any 'No Objection Certificate' in respect of her may be issued only in favour of the Punjab Medical Council, with which she holds her primary registration. This Council cannot issue a 'No Objection Certificate' in her favour to any other State Medical Council.

Lapse of the Primary Confirmation

By its own terms, the confirmation remained valid until 09.12.2022. No renewed confirmation from the Punjab Medical Council is available on the record of this Council. No Renewal was ever submitted to this Council, nor has the doctor, at any time, informed this Council that a renewal was sought or obtained.

Nor did she, at any time, inform this Council of the Kathua matter concerning her, and the fine imposed in it by the District Registering Authority, Kathua; and her full-time engagement in the State of Punjab.

Each of these is a material fact. Each was suppressed

The Registration granted on 21.07.2022 was valid when made, as it rested on a subsisting confirmation. It's continuation after 09.12.2022, however, has rested on a confirmation that had expired by its own terms, and whose renewal the doctor was bound to obtain but did not.

That failure is the doctor's own. It is not cured by the passage of time. Nor is it cured by any later entry made by this Council in good faith, in reliance upon the original grant. No right to the continuation of an extension can arise from the holder's own failure to keep its foundation in force. The lapse is recorded as an independent ground, in addition to the findings in Part III.

Character of the Extension and of its Withdrawal

It follows that this Council functions, in respect of Dr. Khushboo Haresh Chauhan, solely as a Territorial Licensing Authority. It extends the reach of the Punjab Medical Council's Primary Grant into the Union Territory of Jammu & Kashmir. The continuation of such an extension is conditional upon three things:

- The correctness of the representations made at the time of grant;
- The continued validity of the primary confirmation on which it rests;
- Continued compliance with the conditions attached to it.

Where any of these conditions fails, the extension does not survive. Here, all three have failed. The Primary Confirmation has lapsed and has not been renewed. The representations on which the grant proceeded have not held true. The conditions of good-faith practice within this Union Territory have not been complied with, as recorded in Part III.

Withdrawal in these circumstances restores the position that ought always to have been obtained. It is the consequence of the failure of the conditions upon which the extension was granted. It is not a penalty imposed upon an original and independent registrant. It does not require the procedural architecture of disciplinary proceedings, which remain a matter for the Punjab Medical Council as the Primary Registering Authority. This Council does no more than withdraw an extension that it granted solely on the strength of the Punjab Medical Council's letter, upon which no vested right could in law have accrued.

PART II — MATERIAL ON RECORD

1. Provisional Certificate No. DRA/CE(R&R)/CMO-J/2020/76, issued by the District Registering Authority, Jammu, and forwarded under No. CMO-J/CE/2020/134. It registers Jammu Manorog Clinic, Deeli Langar, Near Brand Factory, Kunjwani Bypass, Jammu, as a Single Speciality (Psychiatry OPD). It records the Owners as "Khushboo H Chauhan & Arpna Sharma", and the Person-in-Charge as Dr Parvaiz Ahmad Khan.

Jammu Manorog Clinic is a continuing establishment. It functions to this date at the same premises, under the same Proprietor, Smt. Arpna Sharma, and the same Person-in-Charge, Dr Parvaiz Ahmad Khan, as were declared alongside her name at the time of its registration.

2. Written Reply dated 13.10.2026 of Jammu Manorog Clinic, signed by the Proprietor, Smt. Arpna Sharma, and the Person-in-Charge, Dr. Parvaiz Ahmad Khan. At Para 5.1, the establishment answers for the matters regarding Dr. Khushboo Haresh Chauhan in Kathua and Samba. It states that the Kathua enquiry was concluded following payment of the applicable fine, and that the Samba licence was surrendered. The particulars of her conduct in other districts were thus furnished to the District Registering Authority by the Proprietor and Person-in-Charge of the establishment of which she was recorded as Owner.

3. Written reply dated 01.07.2026 of Jammu Manorog Clinic, signed by the same Proprietor and Person-in-Charge. It records:

- That the establishment procures its medicines from M/s Vanelloid Pvt. Ltd., VPO Tibba, Focal Point, Ludhiana — the same supplier, as appears on the Form - 6 consignment notes issued to Dr Khushboo Haresh Chauhan in Kathua;
- That the matter of unauthorised consultation at Prayaas Psychiatry Clinic, Chak Sona, Kali Bari, Kathua, followed an inspection on 01.05.2023 and Notice No. CMO/K/1120-22 dated 02.05.2023. After enquiry by a Committee, it was concluded by Communication No. CMO/K/5793-94 dated 27.10.2023 of the Chief Medical Officer, Kathua, imposing a fine of Rs. 50,000 under Section 41 read with Section 42 (8) of the Clinical Establishments (Registration and Regulation) Act, 2010;
- That the Registration of Samba Psychiatry Clinic was surrendered on 28.07.2023, and that closure Notice No. CMO/S/NHM/2290 dated 12.08.2023 was thereafter issued by the Chief Medical Officer, Samba;
- That functioning at the unregistered and unauthorised establishment at Jhajjar Kotli took place, as stated by Dr Parvaiz Ahmad Khan and Smt. Arpna Sharma;
- That Invoices for Narcotic/Psychotropic medicines (Buprenorphine-Naloxone) bearing the Registration Credentials of Dr Khushboo Haresh Chauhan exist, which the establishment attributes to "inadvertent clerical/documentary errors" and Narcotic/Psychotropic Medicine (Buprenorphine-Naloxone) supplied by the same seller M/S Vanelloid Pvt. Ltd., VPO Tibba, Focal Point, Ludhiana

4. Record of the establishment. The record of Jammu Manorog Clinic, under the same Proprietor and the same Person-in-Charge as were declared alongside her name, includes the following:

- Unregistered establishment at Jhajjar Kotli. The District Registering Authority, Jammu, has repeatedly required Dr Parvaiz Ahmad Khan to disclose the owner and exact location of an unregistered, unauthorised establishment at Jhajjar Kotli, from which he functioned and at which Narcotic Medicines were admittedly procured. Despite repeated reminders by the Chief Medical Officer, Jammu, the owner has never been disclosed.
- Unauthorised Practitioner at a Single Practitioner Clinic. Jammu Manorog Clinic, which was originally registered as a Polyclinic, had its category changed to a Single Practitioner Clinic in the year 2025 by the Proprietor himself. Despite being registered under the Single Practitioner Category, Dr. Parvaiz engaged an unauthorised practitioner whose functioning had been expressly declined by the competent

authority. During the period of such unauthorised functioning, 1, 45, 110 Buprenorphine-Naloxone Tablets were sold within a period of merely 21 days, including 10, 120 Tablets of Narcotic/Psychotropic Medicines sold by the unauthorised practitioner on a single day.

These facts are recorded in this Council's Order No. JKMC/J/Order/2026/12041-57 dated 30.09.2026 Single Medicine, Single Supplier. The establishment's monthly reports, signed by the Person-in-Charge, Parvaiz Khan, show about 25 lakh Narcotic/Psychotropic (Buprenorphine-Naloxone) tablets dispensed between September 2025 and 2026. They were of a single brand, BPNX (only 1 medicine), from a Single Supplier in Ludhiana, with no other Psychiatric Medicine. Prescriptions were for one medicine only, of one brand, from one common supplier. This is recorded in Communication No. CMO-J/NCORD/2026/6274-82 dated 14.10.2026.

5. Consignment Notes in Form No. 6, Serial Nos. 0342 and 0379, dispatched to Dr Khushboo Haresh Chauhan "C/O Prayaas Medicos, Chack Sona Nupa, Opp. Mehta Palace, Kali Bari, Kathua". The Consignor is "Vanelloid Private Limited, Focal Point, VPO Tibba, Ludhiana" — the Supplier that Jammu Manorog Clinic, in its Reply dated 01.07.2026, names as its own. It is the same Supplier that supplied Narcotic/Psychotropic Medicines to the unauthorised and unregistered location at Jhajjar Kotli, whose owner has not been disclosed to this date.

6. Punjab Medical Council Letter No. PMC/2021/21120007911 dated 10.06.2022, valid for six months, with renewal on expiry, made the obligation of the doctor. A copy was forwarded to the doctor at dr.khushic@gmail.com. Registration No. 18415 dated 21.07.2022 was granted subsequent to, and expressly on the strength of, this letter. No renewed confirmation is available on the record of this Council.

7. Provisional Registration of Samba Psychiatry Clinic. Provisional Registration was granted on 22.10.2022 by the District Registering Authority, Samba, to "Samba Psychiatry Clinic," situated at Tapyal Morh, National Highway, Samba, for OPD services only. The application, received online on 22.10.2022, expressly declared Mr. Dheeraj Mahajan, R/o Gurdaspur, Punjab, as the Owner, and Dr. Khushboo Haresh Chauhan as the Person-in-Charge.

8. Complaint Regarding Sale of Narcotic Medicines and Previous Inquiry Against Proprietor Mr Dheeraj Mahajan. Communication No. CMO/S/NHM/1445 dated 25.07.2023, addressed by the Chief Medical Officer, Samba, to the District Development Commissioner, Samba, records that Samba Psychiatry Clinic was selling Narcotic Medicines, particularly to the youth of District Samba, for pecuniary gain. The same official communication further records that an inquiry was already pending in District Kathua against Mr. Dheeraj Mahajan in his capacity as proprietor of "Prayaas Psychiatry Clinic," where Dr. Khushboo Haresh Chauhan was also designated as Person-in-Charge. Furthermore, a penalty of ₹50,000 was imposed by the District Registering Authority, Kathua, against Prayaas Psychiatry Clinic for gross regulatory violations. The recurrence of the same proprietor and Person-in-Charge in both establishments, together with the complaint concerning the sale of narcotic medicines and the pending inquiry in Kathua, raises serious regulatory concerns warranting independent examination of Mr Dheeraj Mahajan's role and accountability.

in the functioning of both establishments, including compliance with the conditions of provisional registration and applicable statutory provisions.

9. The Communication No. CMO/K/5793-94 dated 27.10.2023 of the Chief Medical Officer / District Registering Authority, Kathua, imposing a fine of Rs. 50, 000 under Section 41 read with Section 42 (8) of the Clinical Establishments (Registration and Regulation) Act, 2010, in the matter of unauthorised consultation at Prayaas Psychiatry Clinic, Kathua

PART III — FINDINGS

Finding 1 — Non-disclosure of concurrent full-time engagement outside the Union Territory. The extension of Territorial Permission was granted on the footing that the Practitioner sought to practise in good faith within this Union Territory. It has since emerged that she was working full-time in the State of Punjab. At no stage was this disclosed to this Council, or to the District Registering Authorities of Jammu, Kathua or Samba. The registration was not used for bona fide practice within this Union Territory, and the grant proceeded on a footing that has not held true.

Finding 2 — Unauthorised consultation in District Kathua

The Kathua matter stands admitted in writing, under the signatures of the Proprietor and the Person-in-Charge of Jammu Manorog Clinic (Arpna sharma and Dr Pravaiz Khan), in their Replies dated 01.07.2026 and 13.10.2026. The matter of unauthorised consultation at Prayaas Psychiatry Clinic, Chak Sona, Kali Bari, Kathua, was concluded by Communication No. CMO/K/5793-94 dated 27.10.2023 of the Chief Medical Officer, Kathua, with a fine of Rs. 50, 000 under Section 41 read with Section 42(8) of the Clinical Establishments (Registration and Regulation) Act, 2010. The fine is imposed establishes violation of serious nature.

Finding 3 — Non-disclosure at the time of grant and thereafter

When she sought registration with this Council, she did not disclose her earlier association, as Owner, with an establishment selling Narcotic/Psychotropic Medicines in Jammu nor her full-time engagement in Punjab. She didn't, at any time thereafter, disclose to this Council the Kathua matter concerning her and the fine imposed in it, her designation at Samba, or the lapse of her primary confirmation.

The Replies of Jammu Manorog Clinic describe the Kathua and Samba matters as "concluded" and "settled". A Penalty under the Clinical Establishments (Registration and Regulation) Act, 2010 concludes the matter before that Authority alone. It does not answer the question before this Council, which is whether the extension was obtained and continued on a true footing. It was not.

Finding 4 — Association with Jammu Manorog Clinic and continuity of the establishment

Dr. Khushboo Haresh Chauhan's entry into this Union Territory was as Owner of Jammu Manorog Clinic, alongside Smt. Arpna Sharma, with Dr. Parvaiz Ahmad Khan as Person-in-Charge. That establishment has continued since, at the same premises, under the same Proprietor and the same Person-in-Charge.

Four features of the record connect her to that establishment and to its continuing course:

- The same persons answer for her. In 2026, the Proprietor and the Person-in-Charge of that establishment answered this Authority for her conduct in Kathua and Samba, and placed on record the fine imposed in Kathua. The particulars of her conduct in other Districts are within their knowledge and are furnished by them.

- The same supplier. M/S Vanelloid Pvt. Ltd., VPO Tibba, Focal Point, Ludhiana is the Common Supplier to each of the places on record where unauthorised medical practice took place, or where an unregistered and unauthorised establishment functioned.

- The same period. On the establishment's own account, Dr Parvaiz Ahmad Khan functioned at the unregistered establishment at Jhajjar Kotli during July–August 2021. In that same period, on 23.08.2021 and 02.09.2021, Buprenorphine-Naloxone was dispatched to her in Kathua by the same Ludhiana Supplier. And in that same period, she stood recorded as Owner of Jammu Manorog Clinic, of which Dr. Parvaiz Ahmad Khan was Person-in-Charge. The establishment further acknowledges that invoices bearing her registration credentials exist in its record.

- The same pattern. Her own record shows unauthorised consultation without registration, and Narcotic Medicines received from that Ludhiana source (Vallenoid). The establishment's record shows an unregistered establishment whose Owner remains undisclosed, an unauthorised Practitioner at a Single Practitioner Clinic, and the dispensing of a single narcotic combination from a Single Supplier with no other psychiatric medicine.

Finding 5 — Effect on the extension of Territorial Permission

An extension of Territorial Permission does not continue as a subsisting privilege where:

- It's Primary Confirmation has lapsed by its own terms and has not been renewed;
- The Representations on which it was granted have been shown not to hold true.

Each of these is established on record. The necessary regulatory consequence is withdrawal of the extension. This is not a punitive step but the necessary and proportionate correction of a position that ought not to have continued on the footing represented.

PART IV: STATUTORY FINDINGS

1. Lapse of Foundation: The baseline Punjab Medical Council confirmation expired on 09.12.2022. No renewal was secured. An extension cannot legally outlive its primary foundation.
2. Deliberate Suppression of Material Facts: Dr. Chauhan actively concealed her concurrent, full-time professional engagement in Punjab, her history of regulatory penalties in Kathua, and the active closure investigations in Samba.
3. Exploitative Clinical Footprint: Dr. Chauhan acted as a regulatory shield across multiple districts, facilitating an unauthorized network that mass-distributed highly sensitive, addictive Narcotic and Psychotropic formulations (Buprenorphine-Naloxone).

4. Administrative Autonomy of Withdrawal: Because this order represents the withdrawal of a lapsed and fraudulently sustained *territorial extension*, it does not constitute a formal disciplinary revocation of an Original Registration.

PART V — OPERATIVE ORDER

In light of the foregoing, and considering the sensitivity of Narcotic/Psychotropic drugs and the vulnerability of the persons who consume them, this Council, in exercise of its statutory powers, orders as follows, with immediate effect.

1. Each of the grounds recorded in Part I (Lapse of the Primary Confirmation) and in Findings 1 to 5 of Part III is independent and self-sufficient. Each, by itself, warrants withdrawal of the extension.

2. Withdrawal of Extension of Territorial Permission

The extension of Territorial Permission granted by this Council to Dr. Khushboo Haresh Chauhan D/O Sh. Haresh Mohan Chauhan, on the basis of her Primary Permanent Registration No. 51364 dated 03.04.2019 with the Punjab Medical Council, is hereby WITHDRAWN with immediate effect from the date of this Order. Upon such withdrawal, the registration reverts to, and subsists solely with, the Punjab Medical Council.

3. Withdrawal of Registration Numbers issued by this Council

Registration No. 18415, 6693, issued by the Jammu & Kashmir Medical Council to Dr. Khushboo Haresh Chauhan, are hereby WITHDRAWN with immediate effect, and stand closed and removed from the record of this Council. Intimation of the same is being sent to the Punjab Medical Council.

4. Immediate Operative Effect

With effect from the date of this Order, Dr. Khushboo Haresh Chauhan shall not practise medicine within the Union Territory of Jammu & Kashmir. She shall not prescribe, procure, receive, store, sell or dispense any Narcotic or Psychotropic Substance within the Union Territory. Any Clinical Establishment that engages or employs her shall be treated as functioning without a Registered Medical Practitioner recognised by this Council, and without lawful authority to procure, store, sell or dispense any Narcotic or Psychotropic Substance.

5. Reference to the Punjab Medical Council

This Council has no jurisdiction over Primary Registration No. 51364. A copy of this Order, with the entire material on record, shall be forwarded to the Registrar, Punjab Medical Council, with a request that the primary registration be examined in light of these findings. That conduct includes:

- Unauthorised consultation in District Kathua, in a matter concluded with a fine under the Clinical Establishments (Registration and Regulation) Act, 2010;
- Her working and the procuring and selling of Narcotic Medicines at establishments in three Districts of this Union Territory while engaged full-time in Punjab;

- Non-disclosure of the above to this Council and to the District Registering Authorities.

6. Reference to the National Medical Commission

A copy of this Order and the material on record shall be forwarded to the Secretary, National Medical Commission, New Delhi, for such notation on the National Register and such further examination as the Commission may consider appropriate.

PART V — CONCLUDING OBSERVATIONS

The withdrawal effected by this Order constitutes an immediate, necessary and proportionate regulatory measure arising from the grounds and material recorded herein. The references made to the Punjab Medical Council, the National Medical Commission, the District Registering Authorities of Jammu, Kathua and Samba, the Narcotics Control Bureau, and the Directors Health Services, Punjab and Jammu, are intended to ensure that each competent authority independently examines the relevant facts, records, professional conduct and regulatory compliance within its respective statutory jurisdiction and takes such action as may be warranted in accordance with law.

This Order is issued in the paramount interest of patient safety, public health, professional accountability and the integrity of the medical regulatory framework, with the approval of the competent authority. Above all, it seeks to safeguard an exceptionally vulnerable population comprising individuals suffering from substance dependence and other psychiatric illnesses, who require the highest standards of medical care, ethical treatment, continuous supervision, compassion and sustained motivation towards recovery. Such patients must be protected against any misuse of medical authority, unauthorised practice, or irregular procurement and dispensation of Narcotic/Psychotropic Medicines that may perpetuate or aggravate their dependence rather than facilitate their treatment and rehabilitation. The medical regulatory framework cannot permit the vulnerability of patients seeking recovery to become an opportunity for exploitation or commercial gain. The protection, dignity, treatment and rehabilitation of these patients must remain the overriding consideration in every regulatory decision concerning such establishments and practitioners.

Issued with the approval of competent authority.

Dr. Sandeep Dogra
