Important Notice for Foreign Medical Graduates

It is informed to all Foreign Medical Graduates through this notice that in pursuance to the National Medical Commission public notice No:NMC/20659(Legal)/2022/UGMEB dated 28th July 2022, read as, "In pursuance to the order dated 29.04.2022 passed by the Hon'ble Supreme Court of India in SLP No.2536-37 of 2022, it is informed that the Indian students who were in the last year of their undergraduate medicine course (due to COVID-19, Russia-Ukraine war etc had to leave their foreign medical institute and return to India) and have subsequently completed their studies as also have been granted certificate of completion of course/degree by their respective institute, on or before 30th June 2022, shall be permitted to appear in Foreign Medical Graduate examination. Thereafter, upon qualifying the FMG examination, such foreign medical graduates are required to undergo Compulsory Rotating Medical Internship (CRMI) for a period of two years to make up for the clinical training which could not be physically attended by them during the undergraduate medicine course in the foreign institute as also to familiarise them with practice of medicine under Indian conditions. The foreign medical graduates will be eligible to get registration only after completing the CRMI for two years.

The above relaxation granted to the foreign medical students is a one time measure and shall not be treated as precedence in the future".

Therefore, those Foreign Medical Graduates who come under such regulations, have got provisional registration from Jammu & Kashmir Medical council and have completed their one year of CRMI or pursuing their 1st year of CRMI, are hereby directed to undergo CRMI for another one year (total of two years of CRMI) from their respective Medical Colleges from where they have already completed/pursuing their one year/1st year of CRMI to become eligible for registration.
