Subject: Clarification on Duration of CRMI for Foreign Medical Graduates

Dear,

In reference to the subject mentioned above, I am writing to bring to your attention certain developments regarding the duration of Clinical Rotatory Internship (CRMI) for Foreign Medical Graduates (FMGs).

Recently, the J&K Medical Council convened a meeting to address concerns raised by FMGs regarding the discrepancies in the duration of CRMI stipulated in various public notices issued by the National Medical Commission (NMC), New Delhi. Following a thorough examination of documentary evidence submitted by FMGs, as well as the notifications and guidelines issued by the NMC, and considering decisions taken by other Medical Councils, it was observed that certain FMGs were initially granted Provisional Registration for a two-year CRMI, though their requirement has now been revised to one year, in line with the latest guidelines.

Enclosed with this letter is Annexure A, which contains a list of One Hundred and Forty Five (145) FMGs, identified for whom the CRMI duration has been adjusted to one year. This change is not a reversal of any prior decision but a continuation of the ongoing efforts to align our policies with the evolving guidelines and circulars from the National Medical Commission and the same was communicated at that time also that a final decision shall be taken later in lieu with the guidelines and circulars from NMC.
